---

## **EMPLOYMENT HISTORY**

### **Henry Schein Inc.**

*Freelance Web Designer*

Melville, NY

September 2007 - Present

I work with a team of designers and marketing directors (worldwide) to maintain and update content for multiple, international, e-commerce sites.

### **eCircuit.com**

*Creative Director / Senior Graphic Designer / Information Architect*

Westbury, NY

November 2006 - July 2007

Designed and created all visual elements for a large-scale, AJAX-based, social networking website, including (but not limited to): skins (templates), contests, billboards, print advertisements, and media kits - all diverse in content and style.

### **RobotMojo Creative Solutions**

*Founder / Senior Graphic/Web Designer / Photographer*

Huntington Station, NY

March 2005-Present

I oversee and execute the creation of visual and interactive artwork, including: promotional photography, show (event) photography, website design, CD label and case artwork, logo design (identity creation/branding).

### **Brenner Lennon Photo Productions**

*Freelance Studio Assistant, Freelance Digital Assistant*

Plainview, NY

March 2006-November 2006

Part-time studio photographer assistant involved in lighting design and set construction. As a digital assistant I silhouetted product photos for use on corporate websites (ie. Bed Bath & Beyond).

### **Futuregarden**

*Director of Art & Marketing*

Farmingdale, NY

September 2004-March 2006

Designed, created, and printed all advertisements, catalogs, sales sheets, instruction booklets, and product logos. Designed, built, and maintained all company websites. Worked often in sales as well as shipping & receiving.
